PETITION IS DENIED BY DOLE

Hoon Must Now Go Back to His Chinese Home.

Judge Dole in the Federal Court this morning handed down a decision in the habeas corpus proceedings brought against Raymond C. Brown of the Immigration service by Su Yen Hoon, in which he holds that the court should not proceed further in the matter, therefore denying to Hoon the writ prayed for.

"The petition in this case avers, in substance, that petitioner was born at Honolulu, Hawaii, on or about November 25, 1880; that his parents, who have since died, were at that time residents of Honolulu; that he is a citizen of the United States; that he has resided in China since the year 1887 until June 10, 1910, when he returned to Honolulu claiming the right to land. It is also alleged that petitioner is possessed of two certificates of Hawaiian birth which he presented to the Inspector of Immigration, together with evidence of his identity; that a hearing was had before such Inspector, but no evidence was introduced to show that the certificates had been procured by fraud or false evidence; that the Inspector arbitrarily decided that petitioner was not entitled to enter the United States; and that an appeal was taken to the Secretary of Commerce and Labor, which was dismissed. It is further alleged that the Inspector, in preparing the record on appeal, set out in capital letters those portions of the testimony which, in his judgment, were unfavorable to petitioner's right to admission into the country, while those portions of the evidence which tended to show that he had a right to enter were set forth in the ordinary form of type; that he is about to be sent back to China, and that he is restrained of his liberty by Raymond C. Brown, Inspector in charge of the Immigration service of the United States, in violation of his rights as a citizen of the United States.

"The return to the writ shows that as set forth in the petition for the writ of habeas corpus, it was duly and regularly determined by

the respondent herein that the said Su Yen Hoon was not entitled to land within the United States or to remain therein. * * * and said Department of Commerce and Labor, by dismissal of said appeal, ordered and directed in due form that the said Su Yen Hoon be returned to the country whence he came, and he not permitted to land."

"Upon the filing of the return the question was argued and submitted whether the court should at once discharge the writ or proceed to a hearing.

"It is contended on behalf of the petitioner (1) that the provisions of the Chinese Exclusion Act do not apply to or affect the rights of United States citizens; (2) that the petitioner is illegally held because the procedure required by the Act of February 20, 1907, relating to the immigration of aliens, was not followed; (3) that the petitioner was arbitrarily denied the right to land because the government produced no evidence to controvert the facts set forth in his certificates of birth or to show that same were false or fraudulent; and (4) that the record on the appeal to the Secretary of Commerce and Labor shows on its face that the proceedings had before the Inspector were unfair. * * *

"The petition shows that a hearing was had, and it is not claimed that the inspectors refused to hear any evidence the petitioner had to offer, nor is it alleged that all the evidence was not set up on the appeal.

"Under the circumstances shown, this court can not review the finding that the petitioner was not in fact born in Hawaii.

"This court should not proceed further in the matter."

WATERFRONT NOTES

THE GREYSTOKE Castle, a fine looking British freighter of 2500 tons register, arrived in yesterday afternoon. The ship comes from Antwerp and is the initial vessel of a fleet which will establish a line between Europe, Hawaii and California.

The cargo of the Greystoke Castle is general merchandise with a quantity of fertilizer. She is consigned to F. L. Waldron.

The voyage across was without special incident, everything working ship shape under the body of first class officers and seamen.

THERE IS A rumor afloat to the effect that a new line of steamers will be established to and from Australia, taking in Tasmania, and New Zealand to the Eastern States on the Atlantic and on to Great Britain. It is proposed to maintain a monthly schedule with five first-class ships.

There is not much stock being taken in the story from the fact that the Australian trade has been pretty well taken care of, and there does not seem to be any call to divide up the freight traffic with another line.

THE BIG FREIGHTER Georgian has been accepted by the A-H. Company from the builders and will soon make her maiden trip with a cargo to Puerto, Mexico, the eastern terminus of the Tehuantepec transfer.

TOMORROW morning the steamer Kinau will return from Kauai, having among the passengers delegates to the Territorial Republican Convention, which meets next Thursday morning at 10 o'clock.

CUDAHY VICTIM WON'T WED.

Denies Report of Marriage to Assailant's Divorced Wife.

NEW YORK, August 24.—Jere S. Lillis, victim of a sensational assault made upon him by John P. Cudahy in the latter's Kansas City home, today settled for all time any rumors that he will marry Mrs. Cudahy, who was the innocent cause of the attack and who has just obtained a divorce from her husband. Lillis said:

"Any report that we are to be married is absurd. I have no intention of marrying anyone."

"It has been reported that your infatuation led you to break your engagement to a Miss Johnson when you knew at Palm Beach, is that true?" Lillis was asked.

"All rot, every word of it," he replied. "I haven't been engaged to anybody," said Lillis.
